*For a thief will just rob you and take all you save  
 But a false-hearted lover will lead you to the grave  
 And the grave will decay you and turn you to dust  
 Not one girl in a hundred a poor boy can trust  
 They'll hug you and kiss you and tell you more lies  
 Than cross lines on a railroad or stars in the skies  
 So come all your maidens and listen to me  
 Never place your affections on a green willow tree  
 For the leaves they will wither and the roots they will die  
 You'll all be forsaken and never know why.*
