*For a thief will just rob you and take all you save
 But a false-hearted lover will lead you to the grave
 And the grave will decay you and turn you to dust
 Not one girl in a hundred a poor boy can trust

 Than cross lines on a railroad or stars in the skies
 So come all your maidens and listen to me
 Never place your affections on a green willow tree
 For the leaves they will wither and the roots they will die
 You'll all be forsaken and never know why.*
